AT SMRS LIMITED 2008-2010

YOUR MIND WILL BE BOGGLED

Be amazed at how Mr. Wall can produce  
mind-bending designs from thin-air by  
his dexterous use of Flash, After Effects,  
ActionScript and Cinema 4D. Marvel at  
his compliant (X)HTML and CSS skills.

Mr. Wall promises to stagger you with  
his compendium of eye-popping inter-  
active web sites, animations and motion  
graphics sequences built for a menagerie  
of bluechip clients, with his own hands.

Available for *interview* directly via the *medium* of speaking.
